PICNIC SET OVER TO MAY 14

COLD WEATHER CAUSE GIVEN

Committee Announces Action Late Thursday Afternoon Following Conference

The annual County Picnic, scheduled and widely publicized to be held on Saturday, April 30, has been postponed until Saturday, May 14th.

Announcement of the committee's decision, reached late Thursday afternoon, was made to this paper Friday morning.

The committee, of which Kenneth McCoy, of Shingle Springs, is chairman, felt that the continuing cold weather would make the April 30th date anything but pleasant and accordingly postponed the event until May 14, two weeks later.

A one-week postponement was impossible because this would have resulted in a conflict with the Mothers' Day picnic at Rescue, billed for April 8.

The same program as outlined for April 30 will prevail at the May 14th picnic, officials announced.

We regret that we did not receive word of the postponement in time for publication Thursday. A. H. Murray, who is a member of the committee, reports that owing to the fact that the membership of the committee is widely scattered, it was impossible to poll all members of the committee in time to announce the postponement Thursday. However, the committee in making special efforts to spread the word in all sections of the county and it is hoped that the occasion may be passed with a minimum of inconvenience.

Woman Lost In Storm, Feared

Former Oakland Man Returns To Minden To Assist In Search For Wife; 2 Held

MINDEN, Nev., William James Gilbert, the former Oakland street car conductor who turned up alive in Arizona after he had been reported "murdered" in Nevada, was in Minden today to aid in solving the mystery of his wife's disappearance.

Mrs. Miriam Gilbert, 22 year old former chemistry student from Menlo Park, California, vanished from her cabin at the Detroit mine during a severe blizzard that swept that section of the rugged Pine Nut Mountains February 6. Searchers expect to find her body when hot weather melts the deep snowbanks near the mine.

"I am here to stay until Marian's disappearance is cleared up and the case is closed," Gilbert said. He admitted quarreling with his wife before he left their ranch shack near here last Nov. 12 to hitch-hike to Nogales, Ariz., to work as a cowpuncher.

Gilbert said he held no theory of foul play, pointing out that he had been friendly with his wife's mining partners, Buck Biamont and Carl Ramser, who until this week had been held on charges of "aiding" in Gilbert's disappearance. Biamont and Ramser were still held pending completion of the search for Mrs. Gilbert.

Englebright Sponsors Flood Control Bills

WASHINGTON, (UP)—Rep. Harry L. Englebright, R., California, introduced bills to authorize war department flood control surveys on five California streams.

They were Mill creek and Paynes creek in Tehama county; and Battle, Cottonwood and Cow creeks in Shasta county.

Joseph Delwisch To Be Buried Sunday

The last rites for Joseph Delwisch, a native of near Georgetown, who passed away Thursday at a hospital in Placerville, will be held Sunday afternoon from the Methodist church at Georgetown. Rev. Harold Morehouse will officiate under the supervision of Memory Chapel. Burial will be at the Georgetown cemetery.

COUGAR-SONORA GAME SET FOR TUESDAY

Rain Friday Morning Blasts Hope Of Playing Off Championship On Friday

The high school Cougars will go to Sonora Tuesday to play off their tie for the championship of the Mother Lode CIF baseball league.

The play-off, scheduled for today, was postponed until Tuesday when Sonora and El Dorado County officials got together over the telephone and Sonora reported heavy rain falling.

The game is now set for 2:30 o'clock Tuesday, on the Sonora field.

The two clubs met Friday of last week at Marcus P. Bennett, Jr., Memorial Park and played a 12-inning game which resulted in a tie score of 9 to 9 when darkness made further play impossible.

Since that time, league authorities had ruled that the two clubs must meet again to settle the issue, and that the game would be played on the Sonora field.

GOV. LAFOLLETTE TAKES TO RADIO SPONSORING THIRD PARTY

By WILLARD R. SMITH
United Press Staff Correspondent

MADISON, Wis., (UP)—Gov. Philip LaFollette stepped into the national political picture today at the head of a new third party founded on principles which he believes will lead the country out of depression to a stable economic recovery.

He began immediately a state-by-state organization campaign by which he hopes to mould his following into a party of political power—a party he said is destined to provide a more abundant living for the masses.

He will speak tonight at 6 p. m. over a Columbia Broadcasting System network from De Moines. Tomorrow night he will speak at Cedar Rapids.

He launched his party—the national progressive of America—last night before an audience of 5,000 in the stock pavilion on the University of Wisconsin campus.

NEW "TIP" STRENGTHENS BELIEF LEVINE BOY WAS SEEN TUESDAY

SANTA FE, N. M., (UP)—Police revealed today that an unidentified woman in Espanola, N. M., had reported seeing a boy resembling Peter Levine shortly before the boy appeared at a restaurant in Santa Fe Tuesday night to get sandwiches.

Espanola is 30 miles north. The woman told officers that the boy was in the company of two men, apparently the same men who stood near the door while a boy who said to fit the Levine boy's description bought sandwiches at the restaurant of John Karavanos.

The 12 year old Levine boy, son of Murray Levine, New Rochelle, N. Y., has been missing since he was kidnapped February 24.

Oberg Rites To Be On Saturday Afternoon

The funeral services for Robert Oberg, whose death at his residence at Camino early Thursday closed an illness of several months, will be held on Saturday afternoon from Memory Chapel at 3 o'clock. Burial will be at the cemetery at Camino.

High School Lad Fans 29 In 7 Innings

EUGENE, Ore., (UP)—Almon Mauney struck out 29 of the 21 batters to face him as he pitched a seven inning no-hit, no-run game for Pleasant High School against Mohawk High School here yesterday. It was Mauney's second no-hit, no-run game in 10 days. In the game against Mohawk, won by Pleasant Hill, 6 to 0, Mauney threw out the one batter he did not strike out.

Hirohito, 37 Today, Frees Prisoners

TOKYO, (UP)—Emperor Hirohito celebrated his 37th birthday by granting a political amnesty to several hundred prisoners.

SURPRISE! — Mr. and Mrs. Seth Beach are spending several days at San Francisco following announcement of their marriage at Gardnerville, Nevada, on March 27th. Mrs. Beach (above) is the former Myrtle Ann Tinker, daughter of Mr. and Mrs. C. R. Tinker, of near Diamond Springs. She and her husband, son of Mr. and Mrs. Joseph Beach, had recently announced their "engagement," but their secret marriage was confessed Thursday.

Skiers' Annual Dinner Success

Approximately 40 Present At Social Evening Thursday; Forest Aide Is Speaker

Approximately 40 members and friends of the Placerville Ski Club attended the organization's annual banquet on Thursday night at Brewster Inn.

Dinner and a short program was followed by dancing.

During the dinner the officers of the club for the past year made their reports and the officers-elect, headed by Bob Carpenter, newly chosen president, were introduced. The new officers begin their duties in the fall.

President Reuel Whigham, of the Chamber of Commerce, was present and spoke briefly of the chamber's appreciation of the interest in winter sports development in the county which the ski club is fostering.

Guest speaker of the evening was Earl E. Bachman, of the Regional Forest office of lands. Mr. Bachman is assigned to the recreation division of the office and spoke of winter sports development under club auspices, as he observed it on a recent trip through the east and midwest.

Social Security Act Broadening Favored

WASHINGTON, (UP)—President Roosevelt today proposed a broadening of social security act benefits and provisions for start of old age insurance payments before 1942 as now scheduled.

President Roosevelt outlined his views in a letter to chairman Arthur L. Altmeyer of the social security board in which he urged the board to consider methods of strengthening and making more effective the present act.

McAdoo Seeks Subsidies For Coast Lines

WASHINGTON, (UP)—Sen. William G. McAdoo, D., Calif., said today that he would seek to restore intercoastal shipping subsidies to the merchant marine bill.

The house passed the bill, amending the 1936 merchant marine law, yesterday after eliminating the subsidy section. Proponents of the subsidies, led by Rep. S. O. Bland, D., Va., author of the bill, argued that through subsidies an adequate merchant marine could be built.

Mr. and Mrs. Charles Leventon were in town from Grizzly Flat on Friday.

Diamond Springs softball team reports seven consecutive victories and no defeats this season. The last win was a 10 to 1 triumph over Camino Thursday night, with Martinovich hurling a two-hit game.

Army Maneuvers Next Month

Mock Battlefield Zones To Extend Over Entire Nation; "Games" Run Through Summer

By GRATTAN McGROARTY
United Press Staff Correspondent
WASHINGTON, (UP)—The army's newly streamlined fighting forces will "go to war" next month against an imaginary foe in the greatest series of military maneuvers in the country's history.

With official Washington concerned over the rapid spread of dictatorships and the daring "successes" of totalitarian governments, orders have been issued to "lift the wraps" from the army's war machine and turn it loose at full speed.

The "battlefield" area will extend from coast to coast and from the Canadian border to the Gulf of Mexico, with all branches of the service receiving the most severe tests possible except under actual war conditions.

Most spectacular part of the extensive maneuvers will take place from May 12 to 17 when the air force attempts to defend the north-eastern section of the United States against a theoretical enemy aiming to destroy the nation's chief industrial area.

Similar military problems will be worked out in all other sections of the country, continuing until late summer or early fall.

Ruel Higby, a missionary for the L. D. S. church, was a patient this week at Placerville Sanatorium.

PARADE OF SPORTS

By HENRY MOLEMORE
(United Press Staff Writer)

NEW YORK (UP)—Lawson Little came up to me in the Stork Club the other night and advised me to go west.

With the flippancy for which I am noted in my circle, I asked Lawson Little who I, no longer a young man, should go west.

He answered, and very promptly, that I should go west in June if for no other reason than to be present when the National Open Golf championship was won by the lowest score in its history.

This started an argument that lasted well into the night, because last fall I played a round over the Cherry Hills course in Denver, where the open will be staged this year, and could do no better than 105.

"Do you mean to tell me," I inquired, "that you believe 90 will be broken on that hazardous course?" Then I described to Mr. Little the thickness of the rough, the depths of the traps, the smallness of the greens, and the rapid currents of the creek which traverse the course.

"I know all about those things," replied Little. "I have played the course myself."

"Really!" I said, "and how did you fare?"

Mr. Little crept into his shell of modesty at this point, and it was all I could do to drag from his his scores at Cherry Hills.

Finally, after a full minute and a half, he broke down and related to me his Cherry Hills activities in the year 1933.

Mr. Little was an amateur then and vitally interested in the winning of silver cups. Since then he has turned professional and learned to look on cups as something which hold flowers, but are not very negotiable when Dorothy wants a fur coat. But at that time he wanted the Colorado State amateur cup so he played at Cherry Hills and the best he could do, in winning it, was to journey around the layout in 19 under par. A few months after he had occasion to again visit Cherry Hills, this time to try and qualify for the National Amateur.

Having seen it once, Little turned in a score of 278 or better to win at Denver this year. He sees the layout, there in the Rockies, as an opportunity for accurate iron players to break the record mark of 281 established by Ralph Guldahl in Detroit last year.

"It's a course that will reward the short iron sharpshooter," Lawson told me. "There are going to be lots of short iron hits, because in that rare atmosphere drives are going to travel anywhere from 20 to 30 yards farther. If I had to name a few players whose games will be most benefitted by Cherry Hills I would say Harry Cooper, who is always good on any course, Paul Runyan, Denny Shute, Henry Picard and Johnny Revolta. And, of course, Guldahl, the defending champion."

I asked Little if he didn't think that Lawson Little might do fairly well. After all, I remarked, a man who has done it in 19 under par should constitute a fair to middling menace.

"That was a few years ago," Little replied. "Since then they have toughened the course. It will be toughened even more for the open. But I still think 278 will be just about right to win it."

We drank one another's health in clam juice and went out into the night.

TWO BROADCASTS FROM RED CROSS CONCLAVE AT SAN FRANCISCO

Norman H. Davis known throughout the world's diplomatic circles for his work in behalf of the United States, will address the nation for the first time as chairman of the American Red Cross when the National Red Cross convention convenes in San Francisco Monday morning, May 2. His remarks to the convention, assembled in the Civic Auditorium, will be broadcast over the National Broadcasting Company's blue network, also over the Columbia and Mutual networks. 10:30 to 11 a. m. PST.

A world-wide good will program to reach 18 million Junior Red Cross members in 53 countries, will be broadcast from the Junior Red Cross convention, San Francisco, 2 to 2:30 p. m. on Wednesday, May 4. The National Broadcasting Company will release the program over the Blue network throughout the West and over the Red network in the east. General Electric Company's shortwave stations W2XAF and W2XAD will carry the broadcast to all foreign lands.

The United States Office of Education, Department of the Interior, is co-operating with the Red Cross in the broadcast. Part of the Program will be released from New York. Stress will be laid on the fact that the 18 million Junior Red Cross members are organized to carry love and good fellowship to all men with the motto, "I Serve."

3 CALIFORNIA CREWS MAY TAKE PART AT POUGHKEEPSIE

BERKELEY, (UP)—At least two, and possibly three, University of California rowing crews will participate in the Poughkeepsie regatta June 27.

The Associated Students voted \$6000 to send the varsity and junior varsity crews east and Coach Ky Ebright indicated the varsity rowing club might undertake to raise an additional \$1600 to pay the transportation of the freshman oarsmen.

The Bears will leave June 10 to meet Cornell June 18 at Lake Cayuga in a revival of their 1926 competition.

GOLD MINERS CHARGE CLAIM LOOTED, ASK \$405,000

PRESCOTT, Ariz., (UP)—Eastern gold mines company were sued today for \$405,400 damages for assertedly operating two claims owned by L. B. White and M. T. Haywood.

White and Haywood charged the smelting company ran an incline shaft under their property three years ago and have extracted approximately \$280,000 worth of ore there. Additionally said the companies completed about 5,000 feet of drifts, tunnels and shafts in the Haywood and White property, about 1,875 feet of which was outside any vein.

The Arizona eastern company was named in the suit because it assertedly worked the claims of Haywood and White for three years under a working agreement.

Damages asked included the alleged value of the ore extracted, \$37,400 for damages for the 1,875 feet of workings, \$88,000 for operation of the tunnels, drifts and shafts, and \$14 a ton damages for all ore taken from their holdings and \$100 a day for use of the tunnels until the action is settled.

Schools Week Rites Tonight

(Continued from page one)
at which hour the exercises were begun.

The Band played two numbers, "Loyal March" by Buchtel, and an overture by J. J. Richards, following which the high school girls' glee club, directed by Miss Lucia Hotchkiss, sang three numbers.

Members of the advanced orchestra at Placerville Grammar school played three numbers, under the leadership of Miss Laura Ball following which the speaker of the evening was heard.

He was San Holsinger, of Sacramento, who spoke on "The Marvel of Electricity," an educational talk which revealed the many ways in which electricity is being harnessed and made a servant of man.

WORKERS HEALTH GROUP IS ORGANIZED IN AGRICULTURE

SAN FRANCISCO. — Medical and hospital service is available today to migratory agricultural workers in California through the newly-organized agricultural Workers Health and Medical Association.

The association, set up under state laws, was organized by the Farm Security administration with cooperation of the state department of public health, the California Medical association and the State Relief administration.

Headquarters were opened this week at Fresno and district offices are being set up in the areas where the need appears greatest.

This is the first time a permanent organization has been established to provide medical and hospital service for migratory agricultural workers not eligible for state or county aid, according to Farm Security administration officials. It is expected to fulfill a growing need in agricultural areas where public health facilities have been greatly over-burdened by reason of the heavy influx of migrants in search of work.

Physicians and hospitals serving the agricultural workers will be remunerated by the association, which in turn is being financed by the Farm Security administration. The association began operating with an initial fund of \$100,000.

Cooperation has been assured by the county medical societies, representatives of which heard the plan explained at a meeting called here by the California Medical association.

"WE ARE ALL ON SPOT," HENRY FORD TELLS PUBLISHERS

NEW YORK. (UP)—Henry Ford, who frequently has denounced Wall Street and its financiers, went there today to visit one—J. P. Morgan.

The call was said to be strictly a social affair. Ford wanted to pay his respects to Morgan and Thomas W. Lamont, a Morgan partner.

Guest of 1200 newspaper publishers, last night, Ford made one of his rare public addresses.

"We are all on the spot," he said. "Stick to your guns and I'll help you all I can with the assistance of my son."

Gen. Hugh Johnson Has Throat Infection

WASHINGTON (UP)—Gen. Hugh Johnson, columnist and former NRA administrator, will enter Episcopal hospital Monday for treatment for throat infection, it was announced today.

Legal Notices

NATIONAL FOREST TIMBER FOR SALE: Sealed bids will be received by the Regional Forester, San Francisco, California, up to and including May 28, 1938, for all the live timber marked or designated for cutting, and all merchantable dead timber located on an area embracing about 270 acres within Sections 7, 8, 17 and 18, T. 8 N., R. 14 E., M. D. M., Eldorado National Forest, California, estimated to be 7,400,000 feet B. M., more or less, of ponderosa and sugar pine, white and Douglas fir, and incense cedar. No bids will be considered of less than \$2.50 per M feet for ponderosa pine, \$3.25 per M feet for sugar pine, \$0.50 per M feet for white fir, \$1.50 per M feet for Douglas fir, \$1.25 per M feet for incense cedar, and \$0.50 per M feet for material unmerchantable because of size under the terms of this agreement, to be cut and removed at the option of the purchaser, these rates to apply also to any or all material unmerchantable because of defects if taken and if charged for. \$500.00 must be deposited with each bid, to be applied on the purchase price, refunded, or retained in part as liquidated damages, according to conditions of sale. The right to reject any and all bids reserved. Before bids are submitted, full information concerning the timber, the conditions of sale, and the submission of bids should be obtained from the Forest Supervisor, Placerville, California.

Silver Restrictions Lifted By Roosevelt

WASHINGTON. (UP)—Restrictions on silver, which made it unlawful for individuals to possess silver except coins or for commercial use, were lifted today by a presidential executive order.

A similar ban on gold was not lifted. Both were imposed during the monetary crisis in 1933.

Mrs. and Mrs. Egbert Veerkamp were business callers in town Friday from Emith Flat.

3,000,000 Lose Jobs In Six Months

WASHINGTON. (UP)—Administrator Harry Hopkins of the works progress administration said today that national income has declined \$12,000,000,000 in the past six months and 3,000,000 men have been thrown out of work in the same period.

Hopkins described the drop as the fastest in the nation's economic history. He addressed the American Seminar, a group of 100 clergymen, educators and social workers.

CAT AND SALMON CAN MAKE TROUBLE FOR HUMANE SOCIETY

ALBANY. (UP)—The trouble began when an alley cat's sharp sense of smell directed it to an empty salmon can.

The cat inserted its head to lick the salmon juice, and then could not get free.

A housewife, who saw the cat stagger from one side to the other, telephoned the humane society and the can was removed.

A sharp rebuke came from humane officials, who termed the can a veritable trap for domestic animals.

"People shouldn't leave opened cans where cats can get at them," said F. R. Haslinger, a member of the society, "especially when gifts of fish are inside."

ARCHER BAGS WILDCAT

EAST TAWAS, Mich. (UP)—Ed Anderson, local Robin Hood who hunts with bow and arrow as a hobby, has bagged four wildcats this winter. Two of the four were shot on the same day.

Mr. and Mrs. Charles Schaeppi of the Smith Flat section are spending a few days in the southern part of the state.

CALCUTTA BLACK HOLE CALLED MYTH BY PROFESSOR

CALCUTTA, India. (UP)—A resolution urging the removal of the monument erected by Lord Curzon in memory of the victims of the Black Hole of Calcutta has been presented by Prof. Humayun Kabir, Indian secretary of the Oxford University Union, on grounds the tragedy never occurred.

"There was never any mention of the tragedy in official accounts," he declared, "nor did Clive refer to it in his treaty with Serajoddowala, who was supposed to have been responsible for the atrocities."

"It is physically impossible to pack 146 human beings in a room 18 feet square, and there is evidence to show that on the date of the alleged tragedy, June 20, 1756, there were hardly 25 Europeans alive in Calcutta."

New National Park In State Proposed

WASHINGTON. (UP)—Rep. Rene L. Derouen, D., La., introduced a bill to establish a Kings canyon national park in California, and to transfer it to a portion of the lands now in the General Grant National Park.

Currency Included In Catch Of Trawlers

SOUTHPORT, N. C. (UP)—Fishermen believe the trawling grounds in the Atlantic off the coast here are capable of producing almost anything.

Recently unusual "catches" included:

A 100-pound bag of table grits, pulled off the floor of the ocean eight miles out.

A hat, with a \$10 bill in the band of it.
